SKILLS

Languages: C, C++, Java, JavaScript, Python, PHP, MySQL

Tools & Technologies: Laravel, Bootstrap, Figma, Git, GitHub

PROJECTS

Surojit Academy – Drama & Art Academy Website (<https://surojitacademy.com>)

PHP, SQL, JavaScript

- Built a website for a drama and art academy with course details and student information.
- Implemented SEO practices to improve visibility and search ranking.

Multi-Modal Medical Imaging Classifier – ML/DL

Python, CNNs, Deep Learning

- Built a model to process multiple image types (mammogram, ultrasound, histopathology, IHC).
- Achieved improved accuracy by combining multi-modal features.

Alzheimer's Disease Detection using MRI and Deep Learning

Python, Deep Learning, Transfer Learning, Medical Imaging

- Developed an automated Alzheimer's disease detection system using MRI brain scans and a ResNet18-based transfer learning model during internship.
 - Applied MRI preprocessing, data augmentation, subject-level dataset splitting, and Grad-CAM visualization for model interpretability and classification of AD and cognitively normal subjects.
-

PROFESSIONAL EXPERIENCE

Sept 2023 - Sept 2024

Gyandeep English Academy

Assistant Teacher

Assisted in teaching computer science classes, supported students in understanding concepts, and helped maintain a smooth learning environment.

EDUCATION

Cotton University

Aug 2024 - July 2026

Master of Computer Applications

Relevant Coursework:: Database Management System, Software Engineering, Computational Mathematics, Data Structures, Design Analysis Algorithms, Operating Systems, Computer Networks, Machine Learning, Web Technology, C Programming, Network Security and Cryptography, Mobile Computing

SBMS College, Gauhati University

Nov 2020 - July 2023

Bachelor of Computer Applications

Relevant Coursework: C programming, Computer Fundamentals & Hardware, Object Oriented Programming in C++, DBMS, Discrete Maths, DSA, Operating Systems, Computer Networks, Web Technology

EXTRACURRICULAR ACTIVITIES

Event Coordinator, Intra-Department Quiz Competition – SBMS COLLEGE

- Managed the quiz application, including testing and basic quality checks
- Added quiz questions and department details to the system
- Coordinated with the team to ensure smooth event execution
